

FLORENCE ROCKS an Entertainment Industry COVID-19 Relief Grant

WHO'S ELIGIBLE?

UNDERSTANDING APPLICANT ELIGIBILITY

The mission of Florence ROCKS is to assist as many local entertainment industry professionals as possible. A list of eligible professionals was developed following consultation with industry experts. While designed to be as inclusive as possible, the City of Florence recognizes it is not exhaustive. An applicant whose profession is not listed, but is determined closely related may request review of eligibility at the time application is made. Applicants may be required to submit additional documentation as part of the eligibility review. All applicants must meet all program requirements including all applicable state and federal regulations.
