CITY CLERK
TEMPORARY CONSTRUCTION EASEMENT

THIS TEMPORARY CONSTRUCTION EASEMENT ("Agreement"), dated September ____ , 2018, is made by and between SAM'S REAL ESTATE BUSINESS TRUST, a Delaware statutory trust, whose address is 2101 SE Simple Savings Dr., Bentonville, AR 72716-0745, Attn: Real Estate ("Grantor") and the City of Florence, Alabama, an Alabama municipal corporation, whose address is P.O. Box 98, Florence, Alabama 35631 ("Grantee"). The following statements are a material part of this Agreement:

WHEREAS, Grantor is the owner of a tract of land ("Tract 1") described on Exhibit A, attached; and

WHEREAS, Grantor wishes to quitclaim, and Grantee wishes to receive, a temporary easement over, under and across Tract 1 solely for the purposes set forth herein.

THEREFORE, in consideration of the covenants contained in this Agreement and other good and valuable consideration, the receipt of which is acknowledged, the parties agree as follows:

1. Grantor quitclaims to Grantee a temporary, non-exclusive easement on, over, and across Tract 1 (the "Easement") for the benefit of Grantee to connect Tract 1 to the adjacent Target tract via a drive depicted on Exhibit B. Grantee, through its officers, employees and agents, at Grantee's sole cost and expense, shall have the right to enter upon the Easement in such a manner as may be reasonably necessary for the sole purpose as above written. This Easement shall expire upon the completion of Grantee's stated purpose, but, in no event, shall the Easement survive beyond November 1, 2018 ("Easement Term"); provided, all Grantee's warranties and representations shall survive the termination of the Easement and continue for the benefit and protection of Grantor for as long as possible under applicable law. In no event shall Grantee use this Easement in a manner which, in Grantor's sole discretion, interferes with Grantor's use of Tract 1. Grantor also covenants and agrees that the Easement will not be used for the erection of any temporary structures. Grantor shall have the right, in Grantor's sole discretion, to relocate the Easement upon Grantor's property. Following termination of the Easement, Grantee shall provide Grantor written release and extinguishment, in recordable form, of all Grantee's rights in and to the Easement.

2. Grantee agrees to use due care in any use of the Easement, and in the construction, installation, repair, replacement and maintenance of Grantee's improvements, so as not to unreasonably disturb Grantor's use of Grantor's property. Grantee further agrees Grantee shall not interfere with Grantor's business operations while utilizing the Easement. Grantee covenants and agrees to properly maintain the Easement and keep same in good order, free and clear from rubbish. Grantee further covenants and
agrees that all construction activities will be timed so as to not interfere with trucking schedules of Grantor, and that driveways damaged by Grantee's use of the Easement will be promptly replaced in accordance with Grantor's specifications at Grantee's sole cost and expense, and to Grantor's satisfaction. Notwithstanding the foregoing, routine maintenance, construction and use of the Easement shall be prohibited during the months of November and December and all work shall be completed by October 31st of the then-current year. Grantee covenants and agrees that Grantor's tract will not be used as a staging area and will not be used to store equipment, trucks, dirt, supplies, materials, rubble, spoil or any other materials of Grantee. Grantee shall not dig any open pits, trenches, borings or holes on or under the Easement. Grantee also covenants and agrees that no heavy trucks or equipment associated with the use of the Easement by Grantee shall utilize the entranceways, streets or roadways located on Grantor's property or the Easement without Grantor's prior written consent.

3. Following completion of work, if Grantee has removed or damaged any of Grantor's improvements, including but not limited to paving, sod, herbage, lighting standards, signage or landscaping within the Easement or otherwise on Grantor's property, Grantee shall at Grantor's sole cost and expense immediately restore the property injured by Grantee's activities to the same condition as existed previous to Grantee's entry upon the particular property.

4. Grantee, and Grantee's successors and assigns, shall indemnify, defend and hold harmless Grantor and Sam's (as defined herein) from and against any and all losses, liabilities (including strict liability), claims, causes of action, damages, injuries, liens (including mechanic's liens and materialman's liens), expenses and costs, including without limitation reasonable attorney's fees of any settlement, judgment or claims of any and every kind whatsoever paid, incurred or suffered, in connection with any damage or liability to persons or property caused directly or indirectly by the construction of Grantee's improvements, caused by the use of Grantee's improvements by Grantee, its customers, suppliers, employees, and tenants or anyone else using the such improvements or Easement during the Easement Term. Grantee further agrees that Grantee shall, at all times during the duration of this Agreement, maintain sufficient funds in its liability self-insurance fund affording protection to Grantor and Grantee. Grantee further agrees, upon request, to deliver to Grantor a certificate of self-insurance satisfactory to Grantor evidencing the existence of such self-insurance fund.

5. Grantee, and Grantee's successors and assigns, shall indemnify, defend and hold harmless Grantor and Sam's from and against any and all losses, liabilities (including strict liability), claims, causes of action, damages, injuries, expenses and costs, including without limitation reasonable attorney's fees of any settlement, judgment or claims of any and every kind whatsoever paid, incurred or suffered by, or asserted against, Grantor and/or Sam's, and their respective successors and assigns, by any person or entity or governmental agency, for, with respect to, or as a direct or indirect result of, the construction of Grantee's improvements, use of Grantee's improvements
by Grantee, its customers, suppliers, employees, and tenants during the Easement Term or anyone else using the such improvements during the Easement Term, including claims arising from the escape, seepage, leakage, spillage, emission, discharge or release of any hazardous substance resulting from the operations of Grantee during the Easement Term upon or under any tract of land owned by Grantor including without limitation, any losses, liabilities (including strict liability), damage, injuries, expenses and costs, including, without limitation, reasonable attorney's fees, of any settlement or judgment or claims asserted or arising under, as amended, the Comprehensive Environmental Response, Compensation and Liability Act, the Superfund Amendment and Reauthorization Act, the Resource Conservation Recovery Act, the Federal Water Pollution Control Act, the Federal Environmental Pesticides Act, the Clean Water Act, any so called federal, state or local "Superfund" or "Superlien" statute, or any other statute, law, ordinance, code, rule, regulation, order or decree regulating, relating to or imposing liability (including strict liability), or standards of conduct concerning any hazardous substance.

6. In exercising any rights and privileges under this Agreement, Grantee shall comply fully with any federal, state or local laws, regulations, ordinances, permits or other authorizations or approvals or other requirements relating to storm water discharges or the control of erosion or sediment discharges from construction projects, including but not limited to the Clean Water Act, 33 U.S.C. § 1251 et seq., and the Storm Water General Permit for Discharges Associated with Construction Activities (collectively the "Storm Water Requirements").

7. Grantee shall (i) comply in all respects with all immigration laws, statutes, rules, codes and regulations, (ii) properly maintain all records required by the United States Citizenship and Immigration Services (the "USCIS"), including, without limitation, the completion and maintenance of the Form I-9 for each of Grantee's employees, and (iii) respond in a timely fashion to any inspection requests related to such I-9 Forms. Grantee shall fully cooperate in all respects with any audit, inquiry, inspection or investigation that may be conducted by the USCIS of Grantee or any of its employees. Grantee shall, on a bi-annual basis during the term of this Agreement, conduct an audit of the I-9 Forms for its employees and shall promptly correct any defects or deficiencies which are identified as a result of such audit. Grantor may, in its sole discretion, terminate this Agreement immediately if, at any time during the term, (x) Grantee violates or is in breach of any provision of this paragraph or (y) the USCIS determines that Grantee has not complied with any of the immigration laws, statutes, rules, codes and regulations of the United States. Grantee shall require all subcontractors performing any work on the Utility System to comply with the covenants set forth in this paragraph.

8. Grantee shall secure, maintain and comply with all required licenses, permits and certificates relating to, or otherwise necessary or appropriate for, the construction, installation, repair, replacement and maintenance of Grantee's improvements.
Grantee shall comply with any and all applicable federal, state and local laws, rules, regulations, statutes, codes, orders and ordinances, including, but not limited to, those governing the prevention, abatement and elimination of pollution and/or protection of the environment and the employment of its workers.

9. If Grantee defaults in the performance of any provision contained in this Agreement, Grantor may terminate this Agreement following written notice and a fifteen-(15) day period during which Grantee shall have the opportunity to cure such default to Grantor's satisfaction. If Grantor terminates this Agreement under this provision, Grantee may exercise any and all remedies available at law or in equity.

10. Grantee acknowledges that it is Grantee's sole responsibility to obtain any governmental permits to perform any required maintenance checks, and to abide by any governmental regulations associated with the use, construction, patrolling, replacement and maintenance of Grantee's improvements, as applicable.

11. This Agreement may be executed in one or more counterparts (including by facsimile), all parties need not be signatories to the same documents, and all counterpart signed documents shall be deemed to be an original and one (1) instrument.
