Discussion:

Councilmember Edwards made comments in favor of the proposed resolution. Councilmember Edwards stated that the proposed resolution will increase the deposit amount customers will pay for new utility services. Councilmember Edwards further stated that the current usage rates for utilities will remain the same.

President Jordan made comments in favor of the proposed resolution. President Jordan stated that there has not been an increase in utility deposits in fifteen years. President Jordan further stated that the Utility Department has been losing five hundred thousand dollars a year on unpaid utility bills and that this increase will help offset the loss.

Councilmember Bradley made comments in opposition to the proposed resolution. Councilmember Bradley stated that higher deposits would greatly affect low income customers. Councilmember Bradley further stated that the City should look at stricter measures of collection.

There being no further discussion, a vote taken on the motion resulted as follows:
