Mayor Irons also stated that the labor is provided by volunteers who are 7th grade through college age students.

Reports of Department Heads:

Florence Police Chief Rick Singleton gave a summary of the Traffic Assessment Report. Chief Singleton stated that safety is a concern for our citizens. Chief Singleton also stated that there are many methods available to slow traffic in residential areas such as speed humps and stop signs. Chief Singleton stated that speeders in neighborhoods are most of the time the residents themselves. Chief Singleton also stated that in the last ten years there has been a 30% reduction in injury-related crashes due to the diligence of the Police Officers in the Crash Unit.

Councilmember Betterton thanked Police Chief Singleton and Bill Batson for their research on this report.

Chief Singleton stated that his department will continue to work with the City and State Engineers to develop more safe intersections.

Reports of Standing Committees:

Councilmember Graham gave a report of the Utilities Committee meeting that was held on June 3, 2010. The report follows, to wit:
Public Hearings:

President Barnhart noted that this is the date and time, as advertised, for a public hearing regarding the proposed rezoning of 2567 Mall Road from R-1 (Single-Family Residential District) to R-B (Residential Business District) as requested by Justin T. Goad.

Robert Muse, Assistant Planning Director, stated that the proposed rezoning received unanimous approval from the Florence Planning Commission. Mr. Muse noted that driveways and parking lots on Mall Road must be shared by adjoining property owners to reduce multiple curb cuts.

Councilmember Betterton asked if gravel driveways and parking lots were allowed. Mr. Muse stated that all driveways and parking lots must be paved.

President Barnhart noted that there were no comments from the public.

Councilmember Pendleton moved for adoption of the foregoing resolution. Councilmember Jordan seconded the motion.

Discussion:

Councilmember Morris made comments in support of the resolution. Councilmember Morris stated that the purpose of the resolution is to attempt to focus on the disaster in the Gulf, not to place blame on any party. Councilmember Morris also stated that we need to publicly declare our support to our neighbors in the South.

Councilmember Graham made comments in opposition of the resolution. Councilmember Graham stated that in his opinion, the resolution was trying to tell the President how to do his job.

Councilmember Pendleton made comments in support of the resolution. Councilmember Pendleton stated that this disaster will affect all of us due to the decrease of tax revenue. Councilmember Pendleton also stated that he agrees with the phrasing of the resolution and that the oil spill is a man-made disaster created by a foreign country.

Councilmember Jordan thanked Councilmember Morris for drafting the resolution. Councilmember Jordan stated that this oil leak is a real tragedy.

President Barnhart made comments in opposition to the resolution. President Barnhart stated that this City Council was elected to govern the City of Florence and not to govern the actions of our state government or our President.

Councilmember Pendleton stated that the oil leak in the Gulf is a unique, negligent and catastrophic disaster created by man. Councilmember Pendleton also stated that nowhere in history has there been a natural disaster involving oil flowing into a body of water. Councilmember Pendleton stated that this is a man-made disaster and that British Petroleum should step up and do the right thing. Councilmember Pendleton also stated that all bodies of governments should get involved.
