Business from the Public (5-minute time limit):

Tabitha Roulett, 341 West Lakeside Drive, appeared and made general comments regarding discrimination and racism.

Council Reports and Comments:

Councilmember Betterton congratulated the group of Police Officers that were honored tonight.
Councilmember Betterton stated that he is very proud of the resolution that was approved tonight regarding “hate crimes.”

Councilmember Simmons also stated that she is very proud of the “hate crimes” resolution.
Councilmember Simmons extended her condolences to the Beckwith family.

Councilmember Bradley also expressed his appreciation to the Council for approving the “hate crimes” resolution. Councilmember Bradley thanked everyone in attendance tonight.

Councilmember Eubanks’ comments follow, to wit:
The last few days have been extremely difficult for families I’m close too; they’re dealing with hardships that none of us hope we ever have to face. For them, life is forever different, and I would ask you all to keep them in your thoughts and prayers because the days and months to come will bring challenges of their own. A tragedy like the one that happened last Thursday brings us all together, and, in that way, we’re all Wilson Warriors and we’re all Florence Falcons.

I’m forever grateful for the First Responders who arrived on the scene, those who rushed into the fray rather than from it. These are special individuals, and their actions save lives. At Rotary just yesterday, I saw this take place. I watched as Dr. Robert Webb and Fire Chief Jeff Perkins rushed to the aid of Alan Flowers. Those two saved Alan’s life. How fitting is it that we witnessed the swearing in of five new officer this evening to the Florence Police Department. Again, these individuals risk their lives to save ours.

We are so fortunate to live in a community where we put others first, and we show our support by wearing blue and taking meals and coming together because, ultimately, we are better together. Our unanimous adoption of the resolution against hate speech is evidence of that.

As we begin the month of May, I would also ask that you mark your calendars for the Bicentennial workshops scheduled on three Saturdays in May. Florence is home to master artisans and craftspeople, and we’ll celebrate that heritage through workshops featuring our cotton, wood, and clay histories. As always, you can learn more and purchase your tickets at [florence200.org](http://florence200.org).

Michelle
Councilmember Edwards also expressed his appreciation for the “hate crimes” resolution and for the Police Officers that were honored here tonight.

Councilmember Edwards reminded everyone that the Arts Alive Festival is coming up.

Councilmember Edwards thanked the students who were in attendance tonight.

President Jordan thanked everyone for coming tonight.

Councilmember Edwards presented the closing prayer.

There being no further business the meeting was adjourned.
