## **MEDICAL EXEMPTION FORM FOR GARBAGE PICKUP RESIDENTS REQUEST**

I request, due to health reasons that my garbage be picked up at my house. I affirm that no one in my household is capable of carrying my garbage to the curbside. In making this request, I agree that this exemption will become void if anyone that is capable of carrying the garbage cart to the curbside resides at this address and that City employees will not enter any part of a residence to remove garbage (this includes fenced areas, garages, etc.).
