THIS AGREEMENT, entered into this the ____ day of October, 2024, by and between the Alabama Department of Transportation acting by and through its Transportation Director hereinafter referred to as ALDOT and City of Florence, Alabama, in an effort to provide maintenance within the city limits of Florence, Alabama along Route 17/157, the City of Florence, Alabama agrees to maintain a newly constructed 8-foot-wide asphalt shared-use path and concrete ADA compliant ramps located in the eastern right of way of Helton Drive (SR-17/157) in the City of Florence, Alabama

_____ in the ALDOT right-of-way from milepost 333.9 to 334.3.

All maintenance shall conform to standards and specifications of ALDOT and the ALDOT approved version of the national Manual on Uniform Traffic Control Devices. Any future proposed work not described in this agreement or any associated agreements shall be requested by permit and is subject to approval by ALDOT. It is furthermore understood by the parties that the map attached hereto describes the current situation. The parties understand that this agreement and the plans attached hereto may be amended by the mutual agreement of the parties.

In accepting the above, ALDOT and APPLICANT agree to do the following:

1. Adequate sight distances must be maintained for maximum public safety; otherwise ALDOT reserves the right to remedy this situation in the most expedient manner.
2. ALDOT is not responsible for the safety of the individual involved or taking part in this work during maintenance operations.
3. If ALDOT construction (repair of drainage and traffic structures, crossovers and other minor construction) is done in the subject area, it will be the responsibility of ALDOT to establish a stand of vegetative cover if deemed necessary by ALDOT and then the APPLICANT'S responsibility to maintain the vegetative cover as stipulated herein. In the event of major construction in the subject area, this Agreement shall be voided at a time designated by ALDOT.

4. Any proposed work, whether being performed or accomplished, that is described within or with any associated proposal is subject to the inspection and approval of ALDOT. Should the APPLICANT fail to conform to the provisions of the Agreement, such failure shall be grounds for termination and shall be cause for ALDOT to assume the maintenance at the APPLICANT's expense and/or remove the work and restore the right-of-way to ALDOT's discretion at the expense of the APPLICANT. The APPLICANT agrees to pay ALDOT all such costs as a result. ALDOT shall provide thirty (30) days notice, in writing, or any termination.

5. A copy of this Agreement must be kept by all parties that sign the Agreement. The State of Alabama does not grant APPLICANT any right, title, or claim on any highway right-of-way.

6. The APPLICANT agrees to store no equipment, materials, or debris of any kind on the shoulders of pavement and in the case of multi-lane highways, in the median strips. The pavement will be kept free from waste and equipment.

7. This Agreement is executed with the understanding that it is not valid until the APPLICANT has complied with all existing ordinances, laws and zoning boards that have jurisdiction in the county, city, or municipality.

8. The APPLICANT may perform any herbicide treatments necessary to maintain the appearance of the roadside with written permission from ALDOT. This includes but is not limited to concrete islands, median barriers, curbs, and other structures. Herbicide treatments shall conform to the guidelines found in the current edition of *Chapter IV: ALDOT Herbicide Treatment Recommendations*. Treatments shall be applied by an individual in possession of a current Commercial Applicator Permit (ROW category) issued by the Alabama Department of Agriculture & Industries. Daily application reports shall be made available for review by ALDOT upon request.

If the applicant is county government then:

The APPLICANT shall be responsible at all times for all of the work performed under this agreement and, as provided in Ala. The APPLICANT maintains self-insurance coverage applicable to the negligent acts and omissions of its officers and employees, which occur within the scope of their employment by the APPLICANT. The APPLICANT has no insurance coverage applicable to third-party acts, omissions or claims, and can undertake no obligation that might create a debt on the State Treasury. The APPLICANT agrees ALDOT shall not be responsible for the willful, deliberate, wanton or negligent acts of the APPLICANT, or its officials, employees, agents, servants, vendors, contractors or subcontractors. The APPLICANT shall require, its contractors and its subcontractors, agents, servants or vendors, as a term or its contract with the APPLICANT, to include ALDOT as an additional insured in any insurance policy providing coverage for the work to be performed pursuant to and under this Agreement and to provide the APPLICANT a copy of the insurance policy declaration sheet confirming the addition of ALDOT thereto.

10. The APPLICANT agrees to provide pruning and/or trimming of plants in any existing or newly landscaped areas.

11. No new installation or removal of plantings is allowed on the right-of-way under this agreement.

12. Nothing contained in this Agreement, or in its execution, shall be construed to alter or affect the title of the STATE to the public right-of-way nor to increase, decrease or modify in any way the rights of the APPLICANT in performance of these maintenance activities.

13. By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.
