#### Non-Admitted Carrier Disclaimer

We have proposed your coverage with non-admitted insurance carriers.

"Non-admitted Carriers" also known as Surplus Lines Carriers were developed to insure those exposures that are not traditionally available in the standard insurance market.

A "Non-admitted Carrier" is not supported by state guarantee funds and in the event of carrier insolvency, the state guarantee fund will not be available to pay claims.

"Non admitted Carriers" are generally not subject to the same level of financial regulation by your individual state insurance department therefore, the financial rating for a "Non-admitted Carrier" is of importance.

This proposed insurance coverage is being quoted to you under your State's Surplus Lines Insurance Act. The insurer is an eligible Surplus Lines Insurer.

This policy is not included for coverage under your State's Insurance Guaranty Association.

## BEST'S FINANCIAL STRENGTH RATING GUIDE - (FSR)

A Best's Financial Strength Rating (FSR) is an independent opinion of an insurer's financial strength and ability to meet its ongoing insurance policy and contract obligations. An FSR is not assigned to specific insurance policies or contracts and does not address any other risk, including, but not limited to, an insurer's claims payment policies or procedures; the ability of the insurer to dispute or detry claims payment on grounds of misrepresentation or fraud; or any specific liability contractually borne by the policy or contract holder. An FSR is not a recommendation to purchase, hold or terminate any insurance policy, contract or any other financial obligation issued by an insurer, nor does it address the suitability of any particular policy or contract for a specific purpose or purchaser. In addition, an FSR may be displayed with a rating identifier, modifier or affiliation code that denotes a unique aspect of the opinion.

#### Rating Disclosure - Use and Limitations

A Best's Credit Rating (BCR) is a forward-looking independent and objective opinion regarding an insurer's, issuer's or financial obligation's relative credit worthiness. The opinion represents a comprehensive analysis consisting of a quantitative and qualitative evaluation of balance sheet strength, operating performance, business profile and enterprise risk management or, where appropriate, the specific nature and details of a security. Because a BCR is a forward-looking opinion as of the date it is released, it cannot be considered as a fact or guarantee of future credit quality and therefore cannot be described as accurate or inaccurate. A BCR is a relative measure of risk that implies credit quality and is assigned using a scale with a defined population of categories and notiches. Entities or obligations assigned the same BCR symbol developed using the same scale, should not be viewed as completely identical in terms of credit quality. Afternatively, they are alike in category (or notches) within a category), but given there is a prescribed progression of categories (and notches) used in assigning the ratings of a much larger population of entities or obligations, the categories (and notches) used in assigning the ratings of a much larger population of entities or obligations, the categories (notches) cannot mirror the precise subtleties of risk that are inherent within similarly rated entities or obligations. While a BCR reflects the opinion of A.M. Best Pating Services, Inc. (AM Best) of relative creditivorthiness, it is not an indicator or predictor of defined impairment or default probability with respect to any specific insurer, issuer or financial obligation. A BCR is not investment advise, nor should it be constituted as a consulting or advisory service, as such, it is not intended to be utilized as a recommendation to purchase, hold or tentinate are inhamance policy, contract, security or any other financial obligation, nor does it address the suitability of any particular policy or contract for a

# Compensation Disclosure and Limitation of Liability

Marsh & McLennan Agency LLC ("MMA") prides itself on being an industry leader in the area of transparency and compensation disclosure. We believe you should understand how we are paid for the services we are providing to you. We are committed to compensation transparency and to disclosing to you information that will assist you in evaluating potential conflicts of interest.

As a professional insurance producer, MMA and its subsidiaries facilitate the placement of insurance coverage on behalf of our clients. As an independent insurance agent, MMA may have authority to obligate an insurance company on behalf of our clients and as a result, we may be required to act within the scope of the authority granted to us under our contract with the insurer. In accordance with industry custom, we are compensated either through commissions that are calculated as a percentage of the insurance premiums charged by insurers, or fees agreed to with our clients.

MMA engages with clients on behalf of itself and in some cases as agent on behalf of its non-US affiliates with respect to the services we may provide. For a list of our non-US affiliates, please visit: https://mma.marshmma.com/non-us-affiliates. In those instances, MMA will bill and collect on behalf of the non-US Affiliates amounts payable to them for placements made by them on your behalf and remit to them any such amounts collected on their behalf;

MMA receives compensation through one or a combination of the following methods:

- Retail Commissions A retail commission is paid to MMA by the insurer (or wholesale broker) as a percentage of the
  premium charged to the insured for the policy. The amount of commission may vary depending on several factors,
  including the type of insurance product sold and the insurer selected by the client.
- Client Fees Some clients may negotiate a fee for MMA's services in lieu of, or in addition to, retail commissions paid by
  insurance companies. Fee agreements are in writing, typically pursuant to a Client Service Agreement, which sets forth
  the services to be provided by MMA, the compensation to be paid to MMA, and the terms of MMA's engagement. The fee
  may be collected in whole, or in part, through the crediting of retail commissions collected by MMA for the client's
  placements.
- Contingent Commissions Many insurers agree to pay contingent commissions to insurance producers who meet set
  goals for all or some of the policies the insurance producers place with the insurer during the current year. The set goals
  may include volume, profitability, retention and/or growth thresholds. Because the amount of contingent commission
  earned may vary depending on factors relating to an entire book of business over the course of a year, the amount of
  contingent commission attributable to any given policy typically will not be known at the time of placement.
- Supplemental Commissions Certain insurers and wholesalers agree to pay supplemental commissions, which are
  based on an insurance producer's performance during the prior year. Supplemental commissions are paid as a
  percentage of premium that is set at the beginning of the calendar year. This percentage remains fixed for all eligible
  policies written by the insurer during the ensuing year. Unlike contingent commissions, the amount of supplemental
  commission is known at the time of insurance placement. Like contingent commissions, they may be based on volume,
  profitability, retention and/or growth.
- Wholesale Broking Commissions Sometimes MMA acts as a wholesale insurance broker. In these placements, MMA is
  engaged by a retail agent that has the direct relationship with the insured. As the wholesaler, MMA may have specialized
  expertise, access to surplus lines markets, or access to specialized insurance facilities that the retail agent does not have.
  In these transactions, the insurer typically pays a commission that is divided between the retail and wholesale broker
  pursuant to arrangements made between them.
- Other Compensation & Sponsorships From time to time, MMA may be compensated by insurers for providing
  administrative services to clients on behalf of those insurers. Such amounts are typically calculated as a percentage of
  premium or are based on the number of insureds. Additionally, insurers may sponsor MMA training programs and events.

We will be pleased to provide you additional information about our compensation and information about alternative quotes upon your request. For more detailed information about the forms of compensation we receive please refer to our Marsh & McLennan Agency Compensation Guide at <a href="https://www.marshmma.com/resource/compensation-guide-for-client.pdf">https://www.marshmma.com/resource/compensation-guide-for-client.pdf</a>

MMA's aggregate liability arising out of or relating to any services on your account shall not exceed ten million dollars (\$10,000,000), and in no event shall we be liable for any indirect, special, incidental, consequential or punitive damages or for any lost profits or other economic loss arising out of or relating to such services. In addition, you agree to waive your right to a jury trial in any action or legal proceeding arising out of or relating to such services. The foregoing limitation of liability and jury waiver shall apply to the fullest extent permitted by law.

## Minimum Earned & Deposit Premiums

#### **Minimum Deposit**

Minimum and deposit is the amount of premium due at inception. Although the policy is "ratable", subject to adjustment based on a rate per exposure unit, under no circumstances will the annual earned premium be less than the minimum deposit premium. The policy may generate an additional premium on audit, but will not result in a return. If such a policy is cancelled mid-term, the earned premium is the greater of the annual minimum multiplied by the short rate or pro-rate factor, or the actual earned as determined by audit, subject to a short rate penalty if applicable.

#### **Minimum Earned Premium**

A minimum earned premium endorsement can be attached to either a flat charge policy or an adjustable policy. In either case, this amount is the least that will be retained by the carrier once the policy goes into effect. The amount retained would be the greater of the actual earned premium whether calculated on a pro-rate or short-rate basis, or the minimum earned premium.

#### **Flat Cancellations**

Surplus lines carriers typically do not allow flat cancellations. Once the policy is in effect, some premium will be earned, and the amount or percentage is outlined in the policy.

#### **Direct Bill Policies**

Notices you receive from your insurer regarding past due premiums or cancellation due to non-payment of premium shall be considered notice from Marsh & McLennan Agency LLC (MMA). As a matter of general practice, MMA does not provide notice of a potential lapse of coverage due to non-payment of premium to clients where coverage is written on a direct bill basis.

## **Proposal Disclaimer**

Marsh & McLennan Agency LLC ("MMA") thanks you for the opportunity to discuss your insurance and risk management program. No coverage is provided by this summary. Coverage conditions are highlights only and are subject to exclusions and additional terms as stated within the policy. Not all exclusions, terms and conditions are shown. If there are any differences between the policy and the proposal, the policy prevails. For details of coverage, refer to policy forms, terms and conditions.

We have evaluated your exposures to loss and developed this proposal based upon the information that you have provided to us. If you are aware of other areas of potential exposure that need to be evaluated or of additional information of which we should be aware prior to binding of coverage, please bring the other areas or additional information to our attention as soon as possible. Should any of your exposures change after coverage is bound, please notify us immediately.

#### Client Contracts

In the event that you enter into a contract that has specific insurance requirements, MMA will review your contract, but only in regards to the insurance requirements of the contract. The scope of our review will be to determine if the current insurance program which you have placed through our agency addresses the types and amounts of insurance coverage referenced by the contract. We will identify the significant insurance obligations and will provide a summary of the changes required in your current insurance program to meet the requirements of the contract. Upon your authorization, we will make the necessary changes in your insurance program. We will also be available to discuss any insurance requirements of the contract with your attorney, if desired.

In performing a contract review, MMA is not providing legal advice or a legal opinion concerning any portion of the contract. In addition, MMA is not undertaking to identify all potential liabilities that may arise under any such contracts. A contract review is provided solely for your information and should not be relied upon by third parties. Any descriptions of the insurance coverages are subject to the terms, conditions, exclusions, and other provisions of the contract and of the insurance policies and applicable regulations, rating rules or plans.

# **Credit Policy**

Marsh & McLennan Agency (MMA) strives to offer the highest quality of service at the most competitive price possible. Accordingly, we have the following credit policy in place to assure that your coverage is not interrupted during the policy term.

All premiums are due on the invoice date or effective date of the insurance, whichever is later. Always submit the remittance copy with your payment. If a remittance copy is not submitted, we will apply the cash to the oldest items on the account. Also, credit memos that cannot be applied against the original invoice will be applied to the oldest items on the account unless you direct us otherwise.

If installment payments are available and provided under insurance policy terms, you will receive an invoice for each installment. Installments are due on the effective date of the invoice. MMA does not finance annual or installment premiums. However, should you wish to finance your premium, we can place your financing with an approved insurance premium finance company.

Your Account Manager maintains on-line access to all of your coverage, premium and accounting detail and will be able to answer most billing questions. Any other questions will be referred directly to our accounting department for immediate response. We thank you for your support and business.
